

Rollei WH-30 Gimbal

- ▶ This swivel head is ideal for taking pictures of animals in nature and sports photography
- ▶ Horizontal and vertical panning are possible in a homogenous movement because of the two joints
- ▶ Once targeted objects can be tracked and excellently photographed
- ▶ Thanks to the different scales, the head can be perfectly adjusted to your camera and therefore it is always ready to use again
- ▶ Tilt of + 150 ° to -60 °
- ▶ Scales for tilt, rotation and height adjustment (360° full scale)
- ▶ Max. load up to 25kg
