

## Compact Tripod with Three Leg Sections and Levelling Unit

- Swiveling tripod head with levelling unit for excellent balancing of the tripod head on the tripod
- Removable and rotatable center column for macro photography (retro position)
- Maximum payload of 8 kg
- Easy and quick height adjustments via the quick clamps
- Lowest working height of only 19.5 cm for images which require a low angle
- Leg locking design automatically locks legs in three separate positions
- Tripod legs made of carbon fiber for a low transportation weight of 1.91 kg
- Water-resistant and corrosion-resistant
- High-quality material guarantees a working temperature between 50° and -30° C
