

"The difference between a successful and unsuccessful photo has often something to do with speed. Therefore the sophisticated Rollei Pro Camera Strap Single can make a decisive contribution."

15 kg
load

24
Month Warranty
and Replacement

Top Details

- ▶ Ergonomically designed and air-cushioned camera strap with a dual camera control, which also allows the use of heavy camera systems (up to 15 kg)
- ▶ Air cushion on the bottom side of the shoulder pad catches shocks and ensures a comfortable fit
- ▶ Fixable quick lock prevents accidental slippage and additionally enables the rapid separation of camera and strap
- ▶ The rubberized exchange plate is simultaneously also an Arca Swiss compatible tripod release plate (loadable up to 18 kg)

Scope of delivery

Camera harness system, rubberized aluminum Arca Swiss compatible camera plate, safety strap and operating instructions

Subject to technical changes.
