

### 360° Light Cone for Optimal Light in Product Photography

- For cameras: Perfect for use with DSLR und DSLM cameras thanks to matching cutout at the tip
- Uniform exposure: 360° design for soft, diffused light from all sides, with both natural and artificial light sources
- No reflections: Prevents annoying reflections from shiny or reflective objects
- High-quality material: Heat resistant and durable
- Easy to use: Assembles quickly and easily with snaps for use and disassembles flat for storage
