

Powerful LED light with 100 W which can be controlled via app

- ▶ Continuous power supply or battery operation* possible
- ▶ RGB mode with 360 different colors
- ▶ Dimmable light
- ▶ Removable barndoors
- ▶ DMX inputs and outputs
- ▶ App control with the free Lumen App

Technical Data

Number of LED	792 (264 white light / 264 warm light / 264 RGB)
Colour shades	360
Power	100 W
Energy efficiency class	A+
Colour rendering index	(CRI) 95+
Illuminance	5,500K: 6,434 lx / 0.5 m 3,200K: 5,724 lx / 0.5 m
Colour temperature	3,200 – 9,999K
Bluetooth® ¹⁾	Version 4.0
Radio frequencies	2.400 GHz – 2.480 GHz
Transmission power	Max. 8 dBm
Connections	DC Input 15 V / 8 A
Battery connection	V-Mount connection (Li-Ion V-Mount battery*)
Dimensions Weight	44.5 x 40 x 12 cm 3.46 kg
Box content	LED light, power supply, bag, shielding flaps

Note: Lux were measured at a distance of 0.5 meters.
