

**Powerful LED light with 50 W
which can be controlled via app**

- ▶ Continuous power supply or battery operation* possible
- ▶ RGB mode with 360 different colors
- ▶ Dimmable light
- ▶ Removable barndoors
- ▶ DMX inputs and outputs
- ▶ App control with the free Lumen App

Technical Data

Number of LED	432 (144 white light / 144 warm light / 144 RGB)
Colour shades	360
Power	50 W
Energy efficiency class (EU 2017/1369)	G
EU energy efficiency class spectrum (EU 2017/1369)	A – G
Colour rendering index	(CRI) 95+
Illuminance	5,500K: 5268 lx / 0.5 m 3,200K: 2133 lx / 0.5 m
Colour temperature	3,200 – 9,999K
Bluetooth® ¹⁾	Version 4.0
Radio frequencies	2.400 GHz – 2.480 GHz
Transmission power	Max. 8 dBm
Connections	DC Input 15 V / 5 A
Battery connection	V-Mount connection (Li-Ion V-Mount battery*)
Dimensions Weight	44.5 x 40 x 12 cm 3.42 kg
Box content	LED light, power supply, bag, shielding flaps

Note: Lux were measured at a distance of 0.5 meters.
