

## Wildlife camera with motion sensor

- ▶ Wildlife camera with motion sensor
- ▶ Full HD videos with sound recording through built-in microphone
- ▶ Crystal clear day shots in colour; black and white shots at night
- ▶ 34 IR LEDs with a range up to 20 Meters
- ▶ Large TFT display with intuitive menu navigation
- ▶ Splash water proof (IP54)

### Technische Daten

<b>Sensor</b>	2.0 Megapixel (2560 x 1440), 32.0 Megapixel (interpolated)
<b>Video resolution</b>	2560x1440 p/30fps, 1920x1080 p/30fps, 1280x720 p/30fps
<b>Video-Format</b>	MP4, H.264
<b>Lens</b>	f = 4.0 mm, F = 1.6, FOV = 89°
<b>LCD</b>	2.0" IPS TFT color display
<b>Trigger distance</b>	up to 20 m
<b>Trigger time</b>	ca. 0.4 seconds
<b>Detection angle sensor</b>	120° (Sidewise PIR 30° each, central PIR 60°)
<b>IR flash range</b>	Appr. 20 m
<b>Functions</b>	Multi-shot 1 to 5 photos, trigger interval 5 sec. to 60 min., video length 5 sec. to 10 min., interval shooting, timer, keyword protection, picture imprint, alarm for low battery power
<b>Power</b>	8x AA batteries type LR6 or external 6V/2A DC adaptor
<b>Standby</b>	Up to 6 months
<b>Memory</b>	MicroSD / MicroSDHC memory cards up to 128 GB
<b>Connectors</b>	Type C port, DC in
<b>IP class</b>	IP54
<b>Dimension (H x B x T)</b>	Appr. 135 x 103 x 77 mm
<b>Weight</b>	Appr. 266 g
<b>Scope of delivery</b>	Wildlife Camera HD-2, mounting belt, type-C cable, 8 GB microSDHC memory card with SD card adaptor, 8x batteries type LR6 (AA), user manual, warranty card
