

The New Generation of the 100 mm Filter Holder

- Modular 100 mm filter holder system made of precisely milled aerospace aluminum and with matte black finish to reduce reflections
- Spring-loaded mounting rails accommodate a total of two 100 x 100 mm or 100 x 150 mm square filters (with 2-mm thickness)
- Modularly expandable up to three filters with the separately available F:X Pro Filter Holder Mark III Extension Rails
- 360° rotatable holder
- Includes magnetic polarizing filter (CPL filter) with handle for quick and easy use
- Polarizing filter (CPL filter) with ultra-fine F:X Pro coating
- With Easy-Lock System for quick filter changes or fine focus adjustment without filters
- Includes 7 adapter rings (52, 55, 58, 62, 67, 72, 77 and 82 mm) and filter bag with inner register for up to 10 square filters

Camera not included.

Technical Data

Compatibility	100 mm square filters
Product line	F:X Pro
Material	Aerospace aluminum, plastic, glass
Additional features	Magnetic CPL filter
Dimensions	12 x 12,5 x 2 cm (filter holder, CPL filter and base ring only)
Weight	120 g (filter holder, CPL filter and base ring only)

What's in the Box and Packaging Details

What's in the box	F:X Pro Filter Holder Mark III incl. base (82 mm), magnetic CPL filter, 7 adapter rings (52, 55, 58, 62, 67, 72, 77 mm), filter bag with inner register, register labels, carrying strap for the filter bag
Packaging dimensions Weight	21 x 15.5 x 10 cm 860 g
