

### Ideal Tripod for macro photography

- ▶ Upper center column can be inserted vertically (90°)
- ▶ Ideal for product and macro photography
- ▶ Monopod function: can be turned into a monopod
- ▶ Smooth-running leg locks to adjust the height quickly
- ▶ Incl. ball head with spirit level and panoramic function
- ▶ Reversible and short center column for shooting near the ground (macro)
- ▶ Small folded size thanks to 180° leg mechanism
- ▶ Compatible with all common DSLRs, DSLM and video cameras (Canon, Nikon, Sony, Olympus, Pentax, Panasonic, Samsung and all cameras with 1/4" thread)
