

### Flexible Mini Tripod for Simultaneous Use of Smartphone and Camera

- Many uses: As a tripod to stand on or as a selfie stick in your hand
- High compatibility: ¼-inch screw for compact cameras, integrated smartphone holder for smartphones and cold shoe connection for additional accessories
- Variable alignment: Head with integrated handle rotatable by 380° as well as tiltable forward and backward for smooth panning and integrated bubble level for quick and easy alignment
- High-quality material: Sturdy and robust construction for a secure and non-slip grip
- Compact and lightweight: Perfect for traveling thanks to small pack size and low weight

Smartphone, camera, light and microphone not included.
