

Flexible Mini Tripod with Bendable Legs

- Many uses: As a tripod to stand or clamp on or as a selfie stick in the hand
- High compatibility: 1/4-inch screw for compact cameras, integrated smartphone holder for smartphones and 1/4-inch thread and two cold shoe connections for additional accessories
- Variable orientation: Ball head rotatable by 360°
- Flexibly adjustable: Legs extremely bendable and non-slip for attachment to a wide variety of surfaces and objects
- Compact and lightweight: Perfect for traveling thanks to small pack size and low weight

Smartphone, camera, light and microphone not included.
