

## Waterproof Outdoor Video Camera for Remote Surveillance

- ▶ Video Resolution 1280 x 720 (25fps)
- ▶ Simple power supply
- ▶ Secure European Rollei Cloud
- ▶ Lens f: 3.6mm, F: 2.4 (IR Lens) glass lens with 60° angle
- ▶ Night mode with 24 IR LEDs for up to 20 m range

### Top details

- ▶ Easy installation on PC, MAC or iPhone/iPad & Android Smartphone and Tablet-PC
- ▶ With a network connection and web server for data transmission
- ▶ Weatherproof housing
- ▶ Integrated camera control software for global access
- ▶ With motion detection: In case of an alarm, images can be sent by email and stored on a FTP server
- ▶ Access by browser, Android or iOS App
- ▶ Notification via push on your smartphone

### Specifications

Image Sensor	1/5" CMOS Colour Sensor
Lens	f: 3.6mm, F:2.4 (IR Lens) 60°
Video	1280 x 720 (720p), 640 x 480 (VGA), 320 x 240 (QVGA)
Mini. Illumination	0.5 (without LED), (0 with LED)
Night View	20 m
IR-LED	24 Infrared-LEDs
IR-Filter	Automatically
View Angel	60°
Motion detection	60° and 20 m distance
Operate Temperature	- 20° to + 50°
Operating Humidity	20 - 85%
Connections	LAN
Power supply	PoE, Power supply EU/UK 100-240V~, 50/60 Hz, 48V, 0,5A
Wireless Security	HTTP, FTP, TCP/IP, SMTP, DHCP, DDNS, UPnP
Wireless Standard	IEEE 802.11b/g/n
Data Rate	10/100 MBit/s RJ-45
Dimension	170 mm x 80 mm x 75 mm
