

Mobile Battery-Operated Fog Machine with Different Attachments

- Versatile applications: For special atmosphere and cool effects in product, food, or portrait photography and videography
- Various attachments: Fan, straight tube, curved tube, silicone hose, high pressure attachment and fog diffuser for different types of fog from dense and compact to fine and diffuse
- High safety: Liquid made of vegetable glycerin and propylene glycol harmless to human and environment
- Flexible operation: Easy control directly on the device or conveniently via supplied remote control
- High mobility: Mobile power supply without annoying cables thanks to integrated powerful rechargeable battery
- Compact and lightweight: Practical transport and space-saving storage thanks to small size, low weight and supplied bag

Technical Data

Model	SmokeMaster Pro
Power	40.0 W
Capacity liquid tank	12 ml
Liquid ingredients	VG (vegetable glycerin), PG (propylene glycol)
Power supply	Fog machine: Lithium-ion battery (2,550 mAh / 7.4 V / 18.87 Wh), input DC 5.0 V / 2.0 A Fan: Lithium-ion battery (1,200 mAh, 3.7 V, 4.44 Wh), input DC 5.0 V / 2.0 A Remote control for Rollei SmokeMaster Pro: 3.0 V (1x battery type CR2025)
Connections	Liquid tank connection, USB-C connection, ¼-inch connection, eyelet for fastening strap
Charging time	Approx. 3 h
Operation time	Approx. 18 min., pause for 2 sec. after each 3 min. operating time
Operation temperature	15 – 60 °C
Dimensions Weight	15.6 x 7.8 x 4.5 cm 360 g

What's in the Box and Packaging Details

What's in the box	Fog machine, liquid tank, 6x liquid, fan, straight tube, curved tube, silicone hose, high pressure attachment, fog diffuser, remote control, battery type CR2025, USB-C cable, bag, user manual
Packaging dimensions Weight	23 x 21.5 x 8.6 cm 1.22 g
