

The solar panel for your Power Station

- Portable and foldable
- High charging efficiency
- Simple plug & play operation
- Stand included for the right angle
- Integrated cable pocket

Technical Data

Model	Solar Panel 200
Peak performance	200,0 W
Cell efficiency	19 - 22%
Mains Voltage	18.0 V
Current	11.0 A
Open-circuit voltage	22.4 V
Short-circuit voltage	12.0 A
Operating temperature range	-20 – 60°
Dimensions (L x W x H) Weight	65 x 51 x 3 cm (gefaltet) 223 x 65 x 1 cm (entfaltet) 6.3 kg

What's in the Box and Packaging Details

What's in the box	Solar Panel 200, DC-Adapter
Packaging dimensions (L x W x H) Weight	53.5 x 66.5 x 7 cm 7.83 kg
